Size Guide

Our shoes run true to size. If you are between sizes, we recommend the larger size. Running shoes may feel tighter; consider half a size up. Wide versions are available for most models.

Payment

We accept Visa, Mastercard, American Express, PayPal and Apple Pay. You can pay in 4 interest-free installments with Klarna on orders over $100.

Shoe Care

Clean leather shoes with a damp cloth and leather conditioner. Do not put shoes in the washing machine. Let wet shoes dry at room temperature, away from direct heat.
